CMP
CHRISTIAN MEDIA PUBLISHING

LETTER TO PUBLISHING PARTNERS AND MINISTRIES

CMP is thankful for the continuing growth of the company and our publishing operations. We continue to serve some of the largest global ministries, operating in southern Africa and globally, through our publications and services.

The Christian Church in the "Global South" is growing and projected to continue growing at an exponential rate. However, there continues to be many families in Southern Africa and globally without access to a Bible or Christian Children's Literature.

Our vision at CMP is to make Bibles and Children's Bibles **Affordable, Available, Attractive** and **Accessible** to be enjoyed by Christian communities globally. We thank all our partners (ministries, churches, retail- and commercial partners) who continue to share this vision with us. We invite you to partner with us in bringing the **Light, Love** and **Hope** of God to a world in need.

In 2020, a year of great challenges, change and uncertainty, it was evident to us that people turn to God's Word for truth, hope and comfort. We pray that CMP may continue to play a role in spreading the life-giving Word of God across the world and support Christians in growing in their relationship with Christ.

ABOUT CHRISTIAN MEDIA PUBLISHING

OUR VISION - CHANGING LIVES THROUGH THE WORD OF GOD

It is CMP's mission that our products and services will help to spread God's Word across the earth and will enable Bible readers to grow in their understanding of faith and relationship with God.

WHAT WE DO

- We aim to provide quality Bibles, Children's Bibles, Study Bibles and publications that are **Affordable, Available, Attractive** and **Accessible** to as many Christians as possible.
- We aim to deepen the reader's experience through innovative product development. Publishing is the art of communication and we want to reach people's hearts.
- Churches and ministries: We have a team of experts to provide dedicated logistical support to deliver Bibles and custom publications when and where it is needed.
- We provide turnkey project- and print management services for custom publications of churches, ministries and commercial clients.
- We aim to form strong partnerships and maintain good business ethics with our partners and clients.

OUR STORY

Christian Media Publishing was formed in 2010 when a group of friends, theologians and leaders in the Christian Publishing sector partnered to form a company to provide dedicated, trusted and specialised publishing services for Bibles and Christian content.

CMP partners with Biblica as a Southern African publisher and licensee of NIV (New International Version) Bibles. The NIV translation remains the world's best-selling contemporary English translation of the Bible. CMP also partners with Biblica to publish and distribute numerous other Bible translations in Southern Africa, including Chichewa, Ndebele, Shona, Portuguese and Kiswahili. Since the inception of the company, CMP has implemented a client-centred approach and dedicated logistical support to ensure Bibles are delivered to ministries and clients when and where needed, at affordable prices.

CMP has grown to a company that also serves some of the largest ministry organisations, operating in Southern Africa and globally, through our Bibles, Children's Bibles, meta-text Bibles and custom project- and publishing services. Some of our key partners include Biblica, Word for the World, Harvesters Ministries, Judea Harvest, Lifeway, Christian Literature Fund, Teach Every Nation of Dr. Bruce Wilkinson, Bibles Beyond Borders and many other ministries.

CMP operates mainly from our new offices in the historic town of Stellenbosch, South Africa.

OUR BIBLES

- CMP specialises in developing and publishing meta-text Bibles with additional notes and study aids. Through our meta-text Bibles, we aim to deepen the reader's experience through innovative product development and expert project contributors.
- We provide services to Churches and Ministries for publishing customised meta-text Bibles (text with specific notes provided by the ministry or church).

OUR VISION - POINTING KIDS IN THE RIGHT DIRECTION

At CMP Kids we follow a unique, holistic approach to product development. With every CMP Kids publication, we want to point kids in the right direction by instilling a sound spiritual foundation in them during each phase of their development. Our products aim to address the specific developmental phases of children, focusing on faith-building, educational development and emotional development. We believe that a sound spiritual foundation is the best way to promote children's emotional health.

OUR VISION

With every CMP Kids publication, we want to point kids in the right direction and promote their emotional health by instilling a sound spiritual foundation in them during each phase of their development. Our vision is best expressed through the commandments in the Word of God:

- Start children off on the way they should go, and even when they are old they will not turn from it. (Proverbs 22:6 | NIV)
- Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door-frames of your houses and on your gates. (Deuteronomy 6:5-9 | NIV)

THERE WITH EVERY STEP

At CMP Kids, we strive to aid children during each important developmental phase:

OUR VALUES

We are passionate about developing quality, affordable and accessible children's material. Our definition of quality refers not only to the physical book, but importantly, to high quality content.

Our products are developed from a non-denominational Christian perspective.

We believe that a sound spiritual foundation plays an integral role in developing emotional health in children.
